### Joyce Browning as Mary Cunningham, The Body Snatcher's Wife

This year marks the 200th anniversary of the Ohio Medical College (University of Cincinnati), one of the oldest institutions in Cincinnati. With this in mind, our speaker will be **Joyce Browning**, living-history interpreter, presenting "Mary Cunningham, The Body Snatcher's Wife." It is a funny, sad tale of how the earliest doctors were educated. Ms. Browning plays an amazing role.

**Joyce Browning** is a retired naturalist and guest relations coordinator with over twenty years at the Great Parks of Hamilton County. She is well-known for her living history reenactments of Ohio women such as Julia Grant, Annie Oakley, Mary Ingles, and other exceptional women from early pioneers through the Civil War and 1800s. Her living interpretations brought history alive for Hamilton County Great Parks programs, the Heritage Village Museum, Butler County Metroparks, and many private groups.
