## *The Tracer* – Surname Indexes 1979 to 2009 by Jim Dempsey

Since the first *Tracer* in 1979, an annual surname index has been created. The early lists included only page numbers. By 1985 the list length was long enough that the entries were also coded. The first codes were:

A	for Association record	F	for Family record
B	for Birth record	M	for marriage record
C	for cemetery record	Mil	for military record
Ch	for Church record	Q	for Query in Tracer
D	for death record	S	for surname listed by members.

Pioneer and FF of Ohio were added in 1986. Inheritance, Bequest, Estate, Naturalization and Other were added in 1987. Since 1989, the first year compiled by Ellen Imhulse, the index has been issued as a separate document. Ellen set the categories to: Marriage, FF of Ohio, Death, Query, Other, Surname, Family, Church and Pioneer. By 2008, the list had grown to 3,312 names and 24 pages, with these categories: Birth, Death, Family, Marriage, Other and Query. The Other group comprised over 50% of the entries.

Rodger Crowe volunteered to index *The Tracer* beginning in 2009. This was an opportunity to review the technology, index groups and process. The index should utilize computer indexing tools and like *The Tracer*, be available in PDF format. Because of the steep rise in postage, the size needed reduction, without reducing quality and content. A new set of categories was established. Use of multiple code letters enabled a 33% increase in names per page. Because the surname list is to assist *ancestry* research, the following are no longer included: living members, board members and names incidentally mentioned such as authors, speakers, etc. except where the name is included with a biography, personal history, obituary, ancestors, etc.

Examples:

Church Histories by Jean Nathan with list of ministers:

Rev. Ebenezer Davies 1840-1842	Davies	71-C (not B or D, this is years as a minister)
Civil War Veterans		
Frederick Pfiester, unit, 1848-1917	Pfiester	71-BDHW
St. Mary's church	Poppel	73-DEH
Delayed Births	Freid	117-BF (child the B, father the F)
	Lambert	117-F (the mother)
Pionier Verein membership	Fassold	119-BEN (birth - port arrival - birthplace)
Pionier Verein Deaths	Benz	121-D (no S as primarily a death record)

### *Tracer* Index for 2009, volume 30
